URGENT REQUEST FOR STATUS ON PETITION

Sir:

Applicants respectfully request the status of the "Request to Rescind Notice of Abandonment" filed via Express Mail on May 12, 2002 and on September 12, 2002. Applicants have not received a response to either of these Requests, and status of the application and response to the petitions is now urgently requested.

Attached to this transmittal is a full and complete copy of the "Request to Rescind Notice of Abandonment" as filed on May 12, 2002 and on September 12, 2002. Additionally, copies of the Express Mail labels under which the Requests were filed are also attached.

This letter is being transmitted by telefax to the official number for patent applications as well as to the PCT number for responses to decisions on petition. Although this is not a response to a decision on petition, Applicants are sending a copy to this number in an attempt to ensure that this request is directed to the appropriate organization.

Applicants' representative will also contact the PCT Legal Office and the technical center assigned to this application after submittal by fax in order to confirm receipt of this letter.

Applicants respectfully request a response to the "Request to Rescind Notice of Abandonment" on an expedited basis, if possible, as it has been some time since the request were filed and there is now some urgency regarding this application.

Your attention to this matter is greatly appreciated and the undersigned would very much appreciate a telephone call if additional information is required in order to respond to this request.

Respectfully submitted,

In the above-identified application, the Applicants in Ohio have received from the Patent Office a Notice of Abandonment dated 08/23/2002. This Notice was issued due to Applicants' failure to respond to the Notice to File Missing Parts dated 08/08/2001.

We respectfully submit that Applicants first learned of the Notice to File Missing Parts on May 9, 2002, in a status telephone call made to the US Patent and Trademark Office, Office of Initial Patent Examination Customer Service. Applicants were informed that the application was not yet abandoned but the Missing Parts should be filed immediately. Applicants immediately executed the declaration and filed it via letter dated May 16, 2002. A copy of that letter and the Express Mail label as filed are enclosed.

Applicants have attempted to be fully responsive to all requirements and responded in a timely regarding the filing of Missing Parts as soon as the information became known to them.

LETTER

Sir:

A telephone call regarding status of the above-identified application was made to the U.S. Patent Office, Office of Initial Patent Examination Customer Service, on May 9, 2002. The response to our request was that the application had yet to be abandoned but would be abandoned soon due to failure to respond to a Notice to File Missing Parts. Since a Notice of Abandonment had not been issued, Applicants were instructed to file the missing declaration immediately in order to stay the Notice of Abandonment.

Therefore, enclosed herewith is the required declaration and power of attorney executed by the Applicants as requested in the status telephone conversation and as required for completion of filing requirements for the above-identified application.

Please note that this letter is filed without a copy of the Notice to File Missing Parts as a Notice was never received in this office.

Applicants have attempted to be fully compliant with the requirements as stated

in the status telephone conversation and request that any required fees be charged to deposit account 02-1653.

Respectfully submitted,

Robert W. Becker, Reg. No. 26,255
